

Chapter 7: Post Test Tasks

Objectives

- ◆ Evaluate your inspection and test results.
 - “As found” results are important.
 - Is the device “Accurate” and “Correct”
- ◆ Determine appropriate enforcement action.
- ◆ Inform the device owner/user of your action.
- ◆ Recordkeeping.

Documentation

- ◆ Inspection findings
 - Compliance with User Requirements
 - Installation
 - Maintenance and Operation
 - Others
 - Performance Requirements
- ◆ Official Action and Instructions

Evaluation and Review

- ◆ Always double –check your results to ensure you are not wrong.
- ◆ Check findings of each test and double-check the applicable tolerances.
- ◆ Always review the findings and orders with a responsible party. If needed, explain policies regarding repairing and placing devices back into service. Provide copies of reports.

Enforcement Actions

- ◆ Immediate Repairs?
- ◆ Rejection – given specific time to make adjustments.
- ◆ Stop-Use Orders - removed from service.
- ◆ Condemnation.

Seals and Tags

- ◆ Apply approval and security seals if appropriate or, if rejected or condemned, apply appropriate tags or seals.

Summary

- ◆ Conduct a comprehensive review of your findings and double-check your results.
- ◆ Review your findings with the device owner/user explain what actions you intend to take in regard to the device. Provide a copy of your report.
- ◆ Apply appropriate seals and tags.
